TOAD'S PROBLEM

Frog and Toad were riding down the hill on a sled.

Frog fell off.

Toad was alone

The sled went faster and faster.

Toad was afraid.

The Problem: WHAT CAN TOAD DO TO KEEP FROM BEING AFRAID?		
How to decide what the best thing is for Toad to do.		
LIST TWO THINGS TOAD CAN DO	CAN TOAD DO IT? yes no	WILL IT WORK? yes no
Example: SING A SONG
