# SEASONS AND FOOD

Amelia Bedelia is the best dessert-maker ever! One day in December Mrs. Rogers asked her to make strawberry shortcake. Amelia Bedelia could not do this since she only uses fresh strawberries in her strawberry shortcake and there are no fresh strawberries in the stores. In each of the season boxes below, draw a picture of a dessert that would be easy to fix during that season.

grapes • blueberries • strawberries • bananas • cantaloup • watermelon

blueberries • strawberries • bananas • cantaloup • watermelon • pears

Spring	Summer
Fall	Winter

apricots • apples • oranges • coconuts
