

# Oh, the Places You'll Go Williams' Taxonomy Cube

<p><b>Fluency</b> List all of the roads and places you can go in life, according to this book.</p>	<p><b>Flexibility</b> How would this story be different if it were called "Oh, the Places You've Been?" Create your own book with that title, including a theme it can teach children, events in your life, and rhymes!</p>
<p><b>Imagination</b> Imagine you lived in a world of Dr. Seuss characters. Would your life be more difficult or easier? Why? Create a poem or draw a cartoon of your life in a Seuss world. What places would you go then? Where could you have possibly been?</p>	<p><b>Complexity</b> Using examples from this story, create a "How to Prepare for Your Future" handbook.</p>
<p>Oh, the Places You'll Go</p>	<p><b>Risk-Taking</b> What risks do you feel you have to take in life to reach your goals? Make a list of them. Then, evaluate each one and state whether or not your goal is worth that risk.</p>
<p><b>Curiosity</b> This book is about the adventures you will have in your life. If you could ask a fortune teller about your future, what three questions would you ask? Why?</p>
