

My Dog

Do you have a dog? I do and I'm going to bring him in for Show and Tell this week. He is the BEST! His name is Jason he is fun to play with. He is running around the classroom. Everyone is lafing. My grandma got it for me. He is a golden retriever. People love to pet it. He is Gigantic. He is Responsible to gard our house. He loves to catch a rackoon. He barks and his birthday is in April. I love him, don't you?

Assessment Commentary:

This is interesting with a great deal of potential. He sticks to the topic, but his ideas are scattered and make the body hard to follow. Interesting words for a second grader are retriever, gigantic, responsible, and guard. Sentence patterns give this piece a choppy feel to it. Although there could be more details, he does have several descriptive sentences. He makes 2 direct connections to the audience.
