What I Like Best

Listen to the directions. Then do the drawing and writing activity.

Your teacher is making a bulletin board showing the things that you and your friends like best. It might be something you have, something you like to eat, or something you like to play. What do you like best? Can you describe it in detail? Why do you like it?

Draw a picture of the thing you like best. Draw carefully, so I can easily tell what it is. On the next page, write a story about what you like best. Be sure to tell me why you like it.

Pre-Drawing and Pre-Writing Activity

Here are some questions to help with your drawing and writing:

What do you like best?

Why do you like it?

Be sure to include details to make your drawing and writing interesting.

Your drawing and writing will be scored on how well you get your ideas across. Be sure to check everything over before you turn it in.
