**Graphic Organizer**

Name _____

Title of Book _____ **Author** _____

Your group is to create an informative game board with written rules. The spaces must include *Draw a Card, Move Ahead …,* and *Lose a Turn*. Your game will have dice and game pieces that your team will design. The game board must have a title, a background related to the story, and can have obstacles. Game cards will include information from a word bank you create. In rules explain what happens when a card is drawn.

Your group will produce a classified ad to sell your game.
