

A Functional Skill Activity

Encyclopedia Practice: Your Life May Depend On It!

You are alone on an island. To survive you need to know which plants are safe to eat. Fortunately, a set of encyclopedias was left on the island with you. Which of these plants could you safely eat?

1. Red mulberry
2. Huckleberry
3. Papaw
4. Bittersweet
5. Nightshade
6. Mushrooms
7. Clover
8. Nettles
9. Burdock
10. Watercress
11. Marsh marigold (cowslip)
12. Cattail
13. Mistletoe
14. Jerusalem artichoke
15. Arrowhead
16. Chinaberry
