

## THINKER GRID #5

## GET TO KNOW AFRICA

For each column and row, research and find an appropriate answer that both starts with the letter at the beginning of the row and fits into the category at the top of the column. All answers must be about **Africa**.

	Country- with neighbor	Indigenous Mammal	City with a Population <i>above 500,000</i>	City with a Population <i>under 500,000</i>	Regional Food
