

# Curiosita Teaching: Inviting Creative Thinking Into Your 21<sup>st</sup> Century Classroom

## Table of Contents

<b>Creativity Entrance Card</b> .....	6
<b>PREFACE</b> .....	7
<b>Chapter One: Introduction</b> .....	11
1. What is creativity? .....	11
2. Can creativity be taught? .....	13
3. What is innovation? .....	17
4. How does <i>Curiosita Teaching</i> support the integration of creativity into schools? .....	19
<u>Charts, Figures, and Tables:</u>	
1.1 Creative and Critical Thinking Sub-Skills.....	14
1.2 K-12 Articulated Creativity Curriculum .....	16
<b>Chapter Two: Research and Rationale</b> .....	24
1. How can education best meet the evolving societal need for creativity? .....	24
2. How does teaching creativity support real world needs? .....	26
3. What is the need for creativity in the schools? .....	31
<u>Charts, Figures, and Tables:</u>	
2.1 Partnership for 21 <sup>st</sup> Century Skills Framework.....	25
2.2 Doubling of Knowledge and Information.....	33
<b>Chapter Three: The <i>Curiosita Teaching Program</i><sup>™</sup></b> .....	41
1. What philosophies and initiatives contributed to the development of the <i>Curiosita Teaching Program</i> <sup>™</sup> ? .....	41
2. What is the <i>Curiosita Teaching Program</i> <sup>™</sup> Philosophy? .....	44
3. How is the <i>Curiosita Teaching Program</i> <sup>™</sup> designed to affect all areas of teaching and learning?.....	49
<u>Charts, Figures, and Tables:</u>	
3.1 Multibilities Philosophy.....	47
3.2 The Creative Multibilities Inventory .....	48
3.3 Contents, Attitudes, Passions, and Skills (C.A.P.S.).....	49
<b>Chapter Four: The Elements and the Creativity Fan</b> .....	53
1. What are the Elements of Creativity? How can teachers use the Elements during instruction? .....	53
2. What are the components of the Creativity Fan? How can teachers influence the development of these in their students? .....	55
3. How can both the Elements and the Creativity Fan be integrated into teaching and learning?.....	72
<u>Charts, Figures, and Tables:</u>	
4.1 The Creativity Fan.....	55
4.2 Dendrite Growth Patterns .....	57
4.3 The Creative Multitude Personality Symbol.....	67
4.4 Electro-Creativity-Gram.....	68
4.5 Creativity Curriculum Organizer .....	74

<b>Chapter Five: Creating the Classroom Climate for Creativity</b> .....	77
1. What conditions support the development of the creative learning environment? .....	77
2. What strategies, techniques, and tools can teachers use to support the development of the creative learning environment? .....	79
3. What roles do humor and play have in the creative classroom? .....	87
4. How do the behaviors and traits of creative students affect the classroom? .....	89
<u>Charts, Figures, and Tables:</u>	
5.1 Creativity Killer Phrases .....	80
5.2 Questions to Encourage Creative Thinking .....	81
5.3 Rules of Brainstorming.....	84
5.4 Student Created Rules of Brainstorming - Symbols.....	85
5.5 An Alphabet of Creativity .....	88
5.6 Traits of High Achieving, Gifted, and Creative Students .....	90
<b>Chapter Six: Integrating Creativity: Curriculum and Instructional Design</b> .....	95
1. How can teachers design curriculum to include creativity in student learning? .....	95
2. What is the Creativity Introductory Scope and Sequence (C.I.S.S.)? .....	100
3. How is creative product-based learning (C.P.B.L.) an essential component of the creativity curriculum? .....	108
4. How do teachers plan for C.P.B.L? .....	110
5. How does instruction change when planning for creative learning? .....	115
<u>Charts, Figures, and Tables:</u>	
6.1 Creativity Introductory Scope and Sequence C.I.S.S. ....	98
6.2 Sample Student Elements Activity .....	102
6.3 Sample Student Creative and Critical Poems .....	103
6.4 Sample Student Creative Story Think Tank .....	105
6.5 Sample Student Choice Board and PMQ Choice Board .....	106
6.6 Creative Product Planning Templates .....	111
6.7 Colorado Sample Standards Chart.....	112
6.8 Creative Product Integrated Planning Grid .....	114
6.9 Creativity Lesson Planner (Side A and Side B).....	116
<b>Chapter Seven: Assessing Creativity</b> .....	123
1. Why is it important to assess creativity? .....	123
2. How do we measure creativity in our students? .....	125
3. What role does pre-assessment, formative, and summative assessment have in the creative classroom? .....	128
4. How does the Creative Attribute Learning Log (C.A.L.L.) help us recognize and promote creativity in our students? .....	135
<u>Charts, Figures, and Tables:</u>	
7.1 Middle School Example of Relative Advantage .....	132
7.2 Upper Elementary Example of Complexity .....	133
7.3 The Creativity Attribute Learning Log (C.A.L.L.).....	136
<b>Chapter Eight: Creativity and Diverse Learners</b> .....	141
1. Who are the traditional and 21 <sup>st</sup> Century groups of diverse learners? .....	141
2. How can highly creative individuals be viewed as diverse learners? .....	148
3. What components of creativity programs can be used to support diverse learners? .....	153
<b>AFTERWORD</b> .....	162
<b>Exit Card</b> .....	166
<b>Quotation Resources</b> .....	168
<b>Index</b> .....	175
